PROFESSIONAL SUMMARY

Front-End Developer with 6+ years of hands-on experience building responsive, scalable, and user-focused web applications. Proficient in modern front-end technologies including HTML5, CSS3/SCSS, JavaScript, TypeScript, WordPress, and Angular. Experienced in both CMS-based development (WordPress, WooCommerce, Joomla) and SPA/component-based frameworks. Passionate about clean, maintainable code and staying current with industry best practices. Seeking a challenging role to contribute to impactful projects while continuing professional growth.

HTML5	CSS3 / SCSS	JavaScript	TypeScript
jQuery	Bootstrap	Tailwind CSS	Material UI
WordPress	WooCommerce	Elementor	Joomla
Angular	Angular Material	ReactJS (basic)	Vue.js (basic)
REST API	Git	Figma	Azure

WORK EXPERIENCE

Front-End Developer | Codekit

Tehran, Iran · September 2024 – Present

- Develop and implement front-end interfaces for multiple product lines using HTML5, CSS3/SCSS, JavaScript, and TypeScript.
- Collaborate with design and back-end teams to deliver responsive, pixel-perfect web experiences.
- Maintain and improve codebase quality through code reviews and adherence to best practices.

Front-End Developer | Nexus

Isfahan, Iran · February 2024 – Present

- Implement and optimize WordPress-based websites using Advanced Custom Fields, WooCommerce, and Elementor.
- Customize themes and plugins to meet client-specific requirements.
- Improve page load performance and cross-browser compatibility of existing sites.

Angular Developer | Taban Soft

Isfahan, Iran · April 2023 – February 2024

- Designed and developed admin/management panel interfaces using Angular and Angular Material.
- Integrated Ag-Grid for advanced data table functionality and implemented RESTful API consumption.
- Worked in an Agile team environment, participating in sprint planning and code reviews.

Front-End Developer | Pishgaman Khalagh Danesh Chista

Isfahan, Iran · December 2022 – April 2023

- Built and maintained company websites using Vue.js, JavaScript, jQuery, and WordPress.
- Delivered project-oriented front-end solutions with a focus on reusable components.
- Collaborated closely with back-end developers to integrate APIs and dynamic content.

Front-End Developer | Pooneh Media

Isfahan, Iran · March 2022 – September 2022

- Created responsive front-end websites using HTML5, SCSS, CSS3, JavaScript, and jQuery.
- Ensured cross-browser and mobile compatibility for all developed interfaces.

Front-End Developer (UI) | Noroweb

Isfahan, Iran · February 2021 – March 2022

- Designed and implemented UI components for web applications.
- Produced clean, standards-compliant HTML/CSS markup from design mockups.
